```
[root@localhost 11249A180]# cat > index.txt
Hi world
This is Linux
Linux is powerful
Hi again [root@localhost 11249A180]# sed 's/Hello/Hi/' index.txt
Hi world
This is Linux
Linux is powerful
[root@localhost 11249A180]# sed 's/Linux/Unix/g' index.txt
Hi world
This is Unix
Unix is powerful
Hi again [root@localhost 11249A180]# sed '2s/Linux/unix/' index.txt
Hi world
This is unix
Linux is powerful
Hi again [root@localhost 11249A180]# sed '2d' index.txt
Hi world
Linux is powerful
Hi again [root@localhost 11249A180]# sed '/Hello/d' index.txt
Hi world
This is Linux
Linux is powerful
Hi again [root@localhost 11249A180]# sed -n '1p' index.txt
Hi world
[root@localhost 11249A180]# sed '2i This is inserted line' index.txt
Hi world
This is inserted line
This is Linux
Linux is powerful
Hi again [root@localhost 11249A180]# sed '2a This os appended line' index.txt
Hi world
This is Linux
This os appended line
Linux is powerful
Hi again [root@localhost 11249A180]# sed -i 's/Linux/unix/g' index.txt
```
